REMARKS [REDACTED]

50X1-HUM 50X1-HUM

1. On 2 August 1951, engineer troops with pontoons and bridge-building equipment were unloaded at the Lieberose (N 52/A 49) railroad station from a train which had come from the direction of Cottbus. [REDACTED] Soviet troops at Camp Lieberose were engaged primarily in road marches and practice firing on 5 August. [REDACTED] In other respects, the present report indicates no changes in the situation at Camp Lieberose. *

* [REDACTED] Comment. The train probably carried elements of the 122d (?) Gds Engr Bn of the 7th Gds Hecz Div, which is believed to have come from the Jerichow area, but whose departure from Lieberose has not been reported. Other engineer units of components of the Second Gds Hecz Army were also reported to have left the Jerichow area in early August 1951. [REDACTED] In other respects, the present report indicates no changes in the situation at Camp Lieberose. [REDACTED]
